

SKILL DEVELOPMENT WORKSHOP – NEP 2020

30th June, 2022 was the eventful day when the teachers of CRPF Public School, Dwarka participated in an enriching Skill Development Workshop organized by COE (Delhi- east) by CBSE. The resource person of the workshop was Ms. Bhawna Arora from Darshan Academy.

The workshop was inaugurated with a pious lamp lighting ceremony followed by a welcome note addressed by honorable Principal ma'am.

The agenda of the workshop was to clarify and discuss the objectives of NEP 2020. All the teachers were provided with handouts that contained comprehensive yet crisp information about NEP and its paramount features.

The sessions acquainted us with many ideas which would enable us to enhance our teaching learning process. The handouts provided to all the teachers were quite comprehensive and included brainstorming quizzes and MCQs in between that aided in remembering the key concepts.

Resource person suggested many examples of activities which can be conducted in the classroom for transcending a topic. Many teachers volunteered which made the session quite enjoyable.

There were short breaks in between the sessions that helped us to share our experience with other teachers.

Overall, it was an interactive session which enhanced our knowledge and equipped us to cater to the new generation teaching learning methodologies.
